IMMEDIATE RELEASE

**TOWN OF ASHLAND COMPREHENSIVE PLAN UPDATE
Community Input Session to be held April 10**

The Town of Ashland is updating its Comprehensive Plan in 2008. A meeting for interested members of the community is scheduled for **Thursday, April 10, 2008 at 7:00 P.M.** in the Fellowship Hall of St. James the Less Episcopal Church, at 125 Beverly Road, Ashland, Virginia.

The purpose of the meeting is to gather input from the community to assist with developing a vision statement for the introduction to the Comprehensive Plan. A group exercise will be conducted to engage participants to state what they value about Ashland, and how they would like Ashland to be in the future. Former Planning Director Neil Holthouser will facilitate this session.

The comments and input gathered from this meeting will help Town staff and Planning Commissioners understand the values and priorities of the community, and how to address these within the Comprehensive Plan document.

Please see the Town's website at www.town.ashland.va.us for updates regarding the Plan's progress, as well as dates and topics for future meetings.
